For more information & pricing for the IOA / IUVA 2009 Regional Conference, PLEASE VISIT

www.io3a.org/boston2009.html

This workshop covers the full range of Ozone research & practical applications. To get the most from your attendance, please consider first attending this workshop for a solid foundation in Ozone technology basics, and then join us for our Regional Conference Monday & Tuesday for a more in-depth look at Ozone through our educational sessions and exhibits.
